BADGUY | Every Hero Needs One

Introduction

BADGUY isn't just another meme token. It's the one your hero warned you about. A rebellious force born on Binance Smart Chain with one purpose: bring chaos, community, and charisma back to crypto.

Tokenomics

- Token Name: BADGUY

- Symbol: BAD

- Total Supply: 1,000,000,000 BAD

- Decimals: 18

- Taxes: 0%

- Ownership: Renounced

- LP: Initially unlocked, paired with BNB

Airdrop

We reward the early believers. 1,000 BAD will be dropped to each eligible wallet that registers via our airdrop form. No bots. No mass farming. Just real community.

Roadmap

- Phase 1: Launch on BSC, add LP, open Telegram & X

- Phase 2: Community growth, listings on trackers, meme raids

- Phase 3: Apply for CMC/CG, organic viral growth

- Phase 4: Who knows. We're BADGUY, not a roadmap factory.
